Re: Diamond Alkali Superfund Site

Dear Ms. Hick:

I have not yet heard back from you in response to my letters of February 13 and March 6, 1995. I have plans to be in New York in April for a deposition in another matter. At your earliest convenience, kindly let me know whether we can schedule a meeting between representatives of EPA and Chris-Craft for April 19. I look forward to hearing from you in the near future.

Very truly yours,

Peter Simshauser
